

Metacognitive Log Rubric

Nobel Laureate 100%	Research Scientist 90%	Lab Technician 80%	Trainee 40%
Reading log is completed on time	Reading log is completed on time	Reading log is turned in late	Reading log is turned in late
The left column contains plentiful essential information from each section of the text.	The left column contains most essential information from each section of the text.	The left column contains some essential information from each section of the text.	The left column contains little essential information from each section of the text.
Correct page numbers accompany each entry.	Correct page numbers accompany most entries.	Correct page numbers accompany some entries.	Correct page numbers accompany few or no entries.
The right column contains reflections for each entry that clearly show thoughtful reading.	The right column contains reflections for most entries that show thoughtful reading.	The right column contains reflections for some entries that show thoughtful reading.	The right column contains reflections for few entries that show thoughtful reading.
<u>Upgrades</u>		<u>No Credit</u>	
Students earning novice on a reading log are invited to redo the reading log to meet Proficient criteria for an upgrade to basic score.		There are three ways to receive no credit: (1) Do not do the reading log. (2) Do not turn in your reading log. (3) Copy other students' reading log entries and turn them in as your own.
